

**Jeanette Nieswand**  
**Accounting**

Jeanette brings a long career in management and human resources to her role in accounting. After working in the steel industry as a vice president, taking a career break to raise her children, then serving in various capacities from office management to HR, she joined the SurClean team in 2018.

Jeanette brings a dynamic background and a love for great business systems to her position and works in various organizational capacities including in that of bookkeeper.

A Michigan native, Jeanette is passionate about organization and enjoys traveling. She recently returned from a three-year stay in Germany where she learned to ride trains and use the metric system.
